The Science of Consciousness 2026

Poster No. 599

EXPLAINING QUALIA AND QUANTUM WAVE COLLAPSE WITH TANMATRON FIELD THEORY

COSMIC CONSCIOUSNESS (PURUSHOTTAMA)

(PARAMATMA) COSMIC SELF

COSMIC «I EXIST» (MAHATATTVA)

COSMIC «I DO» (AHAMTATTVA)

UNIT SELF (JIVATMA)
Reflection of Paramatma off Unit Mind

Unit «I EXIST»
Unit «I DO»
Unit «CITTA»
Red FLOWER

UNIT MIND

COSMIC CITTA
Produces Mental Forms
Seen by Cosmic «I DO»

COSMIC MIND

SAGUNA BRAHMA – QUALIFIED SUPREME CONSCIOUSNESS

PHYSICAL WORLD WITHIN COSMIC CITTA

Optic Appropriative Point in Brain

Optic Nerves and Fluids

Tanmatras – Sensory Inferential Waves (from object to mind)

Red FLOWER
(physical object)

4 QUANTUM WAVE COLLAPSE
(actualized experience)

$\psi(x,t)$
Many possibilities
(potential realities)

$\psi(x,t) \rightarrow |x_0\rangle$
One realized outcome
(perceived reality)

5 TANMATRON FIELD THEORY
(subtle Sensory potentials)

Sound (Tanmatra)
Taste (Tanmatra)
Touch (Tanmatra)
Smell (Tanmatra)
Form / Light (Tanmatra)

TANMATRON FIELD
(Subtle Sensory Potentials)

THE COSMIC «I DO» SEES TWO RED FLOWERS
ONE IN THE COSMIC CITTA AND ONE IN THE UNIT CITTA WHICH IS WITHIN THE COSMIC CITTA.
